GLOBAL TRADE INVEST LIMITED · WEBSITE LEGAL

Legal Notice & Company Information

Public Website | Version PRE-LAUNCH | Effective: Controlled working copy

This public legal document forms part of the corporate and website documentation of GLOBAL FIX BOND. Programme-specific Transaction Documents are provided separately to admitted prospective and actual investors through authorised channels or the secure Investor Portal.

1. Website operator and issuer

GLOBAL TRADE INVEST LIMITED is a company incorporated in England and Wales under company number 06874711. Registered office: 167-169 Great Portland Street, 5th Floor, London W1W 5PF, United Kingdom.

The Company operates the GLOBAL FIX BOND website and is the issuer under the GLOBAL FIX BOND 2026 Programme, subject to the applicable controlled Transaction Documents.

2. Public website status

The public website provides corporate, operational and general Programme information. It is not a public prospectus, public offer, public solicitation or public invitation to subscribe for Notes.

Programme participation is available only through a controlled private-offering and onboarding process. Public website access does not create investor eligibility or any right to an allocation.

3. Contact details

Investor and website enquiries: investors@globalfix.bond. Privacy and data-rights enquiries: privacy@globalfix.bond.

Users should not send passwords, authenticator codes, private keys, seed phrases, recovery codes or complete payment credentials by email.

4. Swiss Escrow / Paying Agent

Where applicable to a transaction, Dr. Roland Schaub / Schaub Rechtsanwälte, Zurich, performs the limited Swiss Escrow / Paying Agent functions described in the Transaction Documents.

The Swiss Escrow / Paying Agent is not the Issuer, co-obligor, guarantor, insurer, portfolio manager, investment adviser or trustee of the Note debt, and its involvement does not constitute a guarantee of the Notes or contractual return.

5. No bank, deposit or fund representation

Nothing on the public website represents that GLOBAL TRADE INVEST LIMITED is a bank, deposit-taking institution, collective investment scheme, investment fund, public exchange or deposit-protection scheme.

Any legal or regulatory classification, selling restriction or investor-eligibility question must be considered by reference to the specific transaction, jurisdiction and applicable controlling documents.

6. Official records and transaction documents

Legal title to Notes is determined by the Official Note Register and the applicable Transaction Documents. Public website summaries, Portal displays, Certificates and blockchain proofs are supporting information or evidence and do not override controlling records.

Programme-specific documents are provided separately to admitted prospective investors and investors through authorised channels or the secure Investor Portal.

7. Intellectual property and website content

GLOBAL FIX BOND branding, website content, controlled-document presentation, software and other materials are owned by or licensed to GLOBAL TRADE INVEST LIMITED unless otherwise stated.

Permitted use, restrictions and cybersecurity obligations are described in the Website Terms of Use.

8. Legal notices and updates

The Website Terms of Use, Privacy & Data Protection Notice and Cookie & Browser Storage Policy form part of the public website legal documentation and should be read together with this Legal Notice.

We may update public legal information when corporate, legal, regulatory, operational or technology circumstances change. The current version and effective date of each controlled public document are shown on the relevant page.
